

## **BRIDGE-PERFORMANCES**

Around the world I am doing Bridge-Performances. These performances are made visual by photographs taken of me by inhabitants or fellow 'tourists' on bridges. I write 'tourists' between quotation marks, because at the moment of making I am not a tourist but an artist at work.

### **Pictures (selection shown in this PDF):**

01. Ponte Sant'Angelo (Bridge of the Holy Angel), Rome (Italy) 2015
02. Brooklyn Bridge, New York (USA) 2015
