

## EIS FREI

Ivan Barbosa

EIS FREI is the pure and poetic story about a young girl, played by the award winning actress Sylvia Hoeks, who tries to escape the harsh reality of war by feeling into her own fantasy world. In this magical and surrealistic environment she experiences a moment of true happiness and she manages to stand up against the war.

## Woman in Front of a Camera

Kim Engelen

Three women of different generations show us a moment out of their emotional world. Their only similarity is the longing for security and love. The camera observes them shamelessly as they show themselves.
